## Happy Easter To All

As we celebrate Easter, the holiest, most important feast of the church, we remember the Resurrection of Jesus Christ. Jesus won great victory over death. He rose from death to new life and he will never die again! We can follow him and we, too, can rise from the dead and live forever with him.

Easter is so important to us that one day could never contain all our joys; so we celebrate Easter for 50 days.

We wish your family a very Holy and Happy Easter.

## P.E.E.R (Peers Establishing Effective Relationships) Pals

The P.E.E.R Pals is being offered again at Sacred Heart. The goal of the program is to offer positive social interactions in our school community during the noon hour recess. Students in Grades 5,6, 7, & 8 run the games at lunch recess. The program enhances school wide disability awareness and develops leadership and problem solving skills. We are please to announce that twenty-eight students had a full day of training for this wonderful program. The P.E.E.R helpers are ready to engage students in planned recess activities during lunch recess. Thank you to our P.E.E.R Pal leadership team; Miss Habib and Miss Belanger for organizing this wonderful program.

## Earth Day is April 22<sup>nd</sup>

Eco-Fact - One tree can absorb as much carbon in a year as a car produces while driving 41 843 km.

## April - Dental Health

Brushing twice a day for at least two minutes is important for good oral health. Parents should supervise how and when children brush.

Brushing before bed is the best time to clean the teeth. Flossing, then brushing should become a habit that starts with that very first tooth and continues throughout a child's lifetime!

 *We all smile in the same language!*

## Dance Team

The Sacred Heart Dance Team "Inspire" will be competing on April 17<sup>th</sup> at St. Thomas of Villanova.

### Hope Lenten Project

#### Children Helping Children

Our Lenten project is drawing to an end and we wish to thank all our students, parents and members of our community for their generosity in donations to this very worthy cause. It is very gratifying to see students giving up their allowances to help others in need. Our students have shown true school spirit by supporting this endeavour and we are very proud of their kindness in helping those who are less fortunate.

On April 26<sup>th</sup> The YMCA will be visiting grades 3 to 8 to raise youth awareness with regards to gambling, healthy/active living and making informed decisions.

## Junior Basketball:

Both the Boys' & Girls' Junior basketball teams had successful seasons with many opportunities to develop their skills. We are proud of both teams for their great sportsmanship and dedication.

The season has come to an end and we thank our coaches Mrs. Jones, Ms. Giovanatto, Mr. Hall & Mrs. Bazinski for giving their time to the teams. We also thank all our parent drivers.

## Updated Student Information

If you have changed your place of employment or if any other information has changed, please make sure that you inform the school so that we may update student information.

## Kiss n' Ride / Morning Drop off

For the safety of our students please remember that morning drop off is between 8:05 – 8:20 a.m. on Divine St. only. The staff parking lot is NOT a safe or permitted drop off location. Please exercise caution when dropping off and picking up your children at the school. Some drivers are in too much of a hurry and it creates a very dangerous situation. The staff parking lot is NOT a safe or permitted drop off location.

## Jody Raffoul

On Thursday, April 8<sup>th</sup>, all of our Grade 7 and 8 students and those from several schools in the area, will be brought to the Chrysler Theatre to record a song with a local songwriter and performer Jody Raffoul. The students will be able to see the recording process and be able to ask Jody Raffoul questions about this work. The song is being recorded and will be sold to help support Doctors Without Borders.

## Student of the Month:

The pillar for March was "FAIRNESS"
