MARCH 2010

Guatemala Hope Lenten Project

Children Helping Children

This year once again our school will be participating in the annual Lenten Project for the children of Guatemala, called "Guatemala Hope" mission. We would encourage the children to bring in the following donations: small soaps and washcloths, baseball hats, baseball gloves, gently used hockey bags and school supplies (books, crayons, glue, scissors, pencils, colouring and puzzle books, dry erase markers). There will be two donation boxes in the school in which the items can be placed. The project will conclude April 1st. 10 Sacred Heart staff members have also joined in the project by sponsoring a student. This allows the student to attend school for a year. As well many classrooms are participating in a variety of Lenten projects.

Updated Student Information

If you have changed your place of employment and if any other family information has changed, please make sure that the school has all updated student and parent information for our records.

8th Annual Pasta Dinner!

Thank you to our Parent Council for sponsoring and co-ordinating our Annual Pasta Dinner at the Fogolar Furlan Club. Our families enjoyed a wonderful evening together.

Thanks to Mrs. Fera and her committee for assisting in this great family event. We also wish Mrs. Fera the very best as she leaves Sacred Heart to continue her journey at another placement. She will be dearly missed.

French Week

Once again the French Department at Sacred Heart has organized activities for French Week. The whole school will participate in the Cafe, Bingo and other activities the week prior to March Break. The students look forward to these special activities and have an appreciation for French class. Bonne semaine mes amis!

CHESS CLUB

Under the guidance of Mr. De Zorzi, students from grades 4-8 have been participating in the Sacred Heart Chess Club since the start of the New Year. Students will be traveling to the Ciociaro Club to take part in the annual Windsor Chess Challenge on March 2nd. Good luck to the participating students in their quest for gold.

March - Eating Well

Pack those snacks! Kids need snacks to give them energy between meals.

Some easy, healthy snacks to pack with lunch are:

- Bite sized vegetables with yogurt, hummus, or bean dip.
- Whole or cut up fruit like apples, pears, and bananas.
- Whole grain crackers or pita and cheese.
- Canned fruit (packed in juice) or applesauce.

Remember to keep cold foods cold by packing a cooler pack or frozen juice box.

Milk prices on the rise

Due to the increased price of milk the cost of milk tickets will be \$.85 per ticket or \$8.50 per sheet.

Absence Reporting

Many students are arriving late for school every morning. This is disruptive to the class, especially when instructions have to be repeated. Please make every effort to bring your children to school on time. As part of our safe schools policy it is important that you call the school each day your child is absent. Your cooperation is appreciated.

Kiss'n Ride

We respectfully request that you use this service regularly as it promotes safety for all our students.

Please do not use church parking lot as a drop off
