

## ASSUMPTION COLLEGE CATHOLIC HIGH SCHOOL CAN DRIVE 2010 An Act of Compassion

Assumption Catholic High School completed its 56th annual can drive. This longstanding tradition began in 1954 and has continued each year since. Students and staff make the commitment each year to help the community. This year ACS has collected 32,520 cans with only 675 students for St Vincent De Paul. Over the years Assumption has collected over 2.5 million cans.

The staff and students have braved the elements of cold weather to gather cans for those in need during these desperate times. The project is led by the student council and their staff advisor Nicolina Paciocco.
