

COSMETOLOGY STUDENTS AT CATHOLIC CENTRAL HIGH SCHOOL BUILDING COMMUNITY

The Catholic Central High School Cosmetology Program under the direction of Teresa Andari-Wigeluk has been hosting various community groups for about 16 years. Students are given the opportunity to practice what they are learning in the course with members of the Windsor Community. The students perform facials, manicures and hairstyles on a wide range of clientele. Groups from Community Living Windsor (Venture) and Amherstburg visit monthly throughout the school year. In addition senior citizens from Royal Marquis and Devonshire Seniors Residence have also experienced the spa like treatments provided by students of Catholic Central. In this interaction our students gain appreciation for the wisdom and knowledge of others and develop respect for those who are very different from themselves.

They both give and receive kindness and compassion. This work encourages the growth of a community of respect a key part of our journey to holiness.
