## **GOOD WEEK FOR WECDSB STUDENTS PAST AND PRESENT**

It's been an amazing week for several past and present students of the Windsor-Essex Catholic District School Board. Holy Names graduate Tessa Virtue kicked things off Monday night with an AMAZING performance in ice dancing. Tessa and partner Scott Moir wowed the judges and crowd picking up the first gold medal ever in the event in Olympic history for this country.

Cardinal Carter graduate Meghan Agosta is also having an amazing Olympic experience as part of the Canadian women's hockey team. Agosta has scored nine goals so far in the games and now holds the women's Olympic goal-scoring record. Ruthven (her hometown) residents and the rest of Canada will have their fingers crossed this Thursday as Megan and her teammates take on team U.S.A. for the gold medal.

Congratulations, as well, to the Debate team at Assumption College Catholic High School. The group dominated the competition and won the 3<sup>rd</sup> annual Richard Peddie High School Winter Debate Tournament. Despite the large field of 34 teams and nearly 150 competitors, Assumption swept the team and individual awards. In the past three years, Assumption has won six of nine tournament championships.

Finally, in our long list of salutes, congratulations to Holy Names student and golfer extraordinaire, Anthony Franzoi. This winter, Anthony and his family toured several U.S. Universities. Now it appears a visit to Alabama State University has paid off. Anthony has been offered a full ride scholarship at the school and will study at the Faculty of Education. Franzoi says an education that is paid for and year round golfing at the team's practice facility (a PGA course) made the offer impossible to refuse. Good job Anthony!
