

OLOA rock their socks too!

MARCH 29, 2018 LAKESHORE NEWS

Our Lady of the Annunciation School students and staff don crazy-colored socks for Grade 8 student, Cady Chevalier and for World Down Syndrome Day. March 21 is the annual World Down Syndrome Day! It aims to raise awareness of what Down syndrome is, what it means to live with it and that people with Down Syndrome, like Cady, play a vital role in our schools, our communities and in our society.

Soup to warm the heart and stations to nourish the soul

What a great way to spend a Wednesday evening together with our parish community during Lent! Students from St. William Catholic School's Liturgical and Mission Teams gathered together with their families to join members of their parish and priests of Good Shepherd to break bread over a soup dinner.

The homemade chicken noodle and tomato soup dinners were donated by Mrs. Masse and Mr. Legault.

We had prepared for eighty, with soup for more. As people continued to pile in, we happily added more chairs. Was it the soup, or the wonderful students of St. William that bring them in each year?

We'll never tell for we know it is both. Free will donations were made with over \$300 collected. The response from the 130 plus in attendance was very positive indeed. The evening, which has become part of tradition for many of our Wildcat

families and parishioners who inquire when we are hosting each year, was once again a wonderful celebration of parish, home and school. For this yearly opportunity we are truly blessed and grateful. Why not join us next year?

Pacers raise more than \$1,200 for Ronald McDonald House

Photo courtesy of Belinda Petkovski

St. Pius X mission rep students, along with principal Joe Bachetti, present a cheque for \$1,259 to W.E. Care for Kids Foundation president Leah Hanson for the Ronald McDonald House.

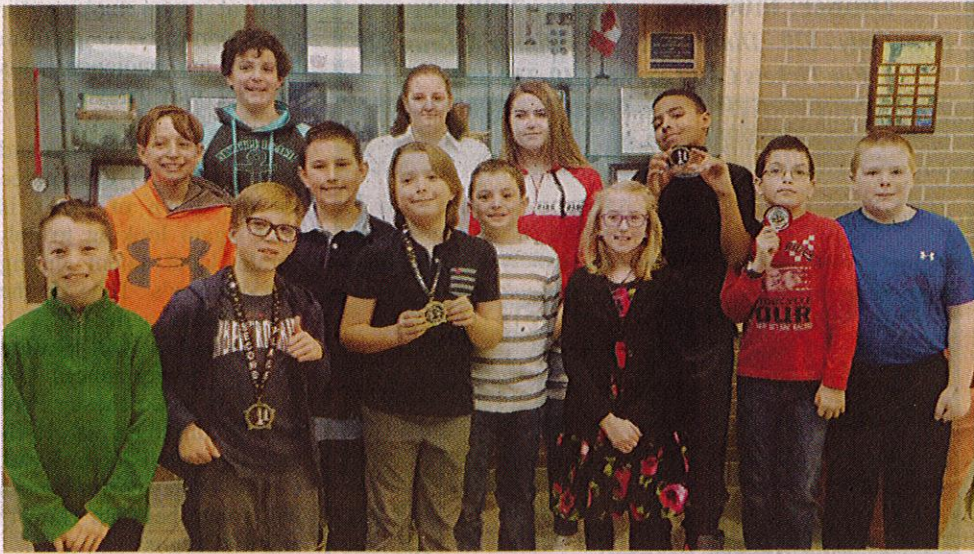

The St. Pius X Catholic School mission committee recently held a drive for Lent and collected coins for the local Ronald McDonald House to help sick children and their families during their time of illness.

We are very proud to announce that through our Pius Pacer efforts, we were able to collect a grand total of \$1,259. Extremely well done Pacers on a very worthy cause!

The class with the third highest amount collected was Mrs. Coughlin's Grade 6 class (\$94.65). In second place, was Mr. Wilder's Grade 8 class (\$134.15) and the Mission Trophy goes to Mrs. Dufour's Grade 6 class (\$244.90).

Congratulations to all and to Mrs. Dufour's class who has won the Mission Trophy not only in December for our mission project, but now as well for back-to-back top fundraiser.

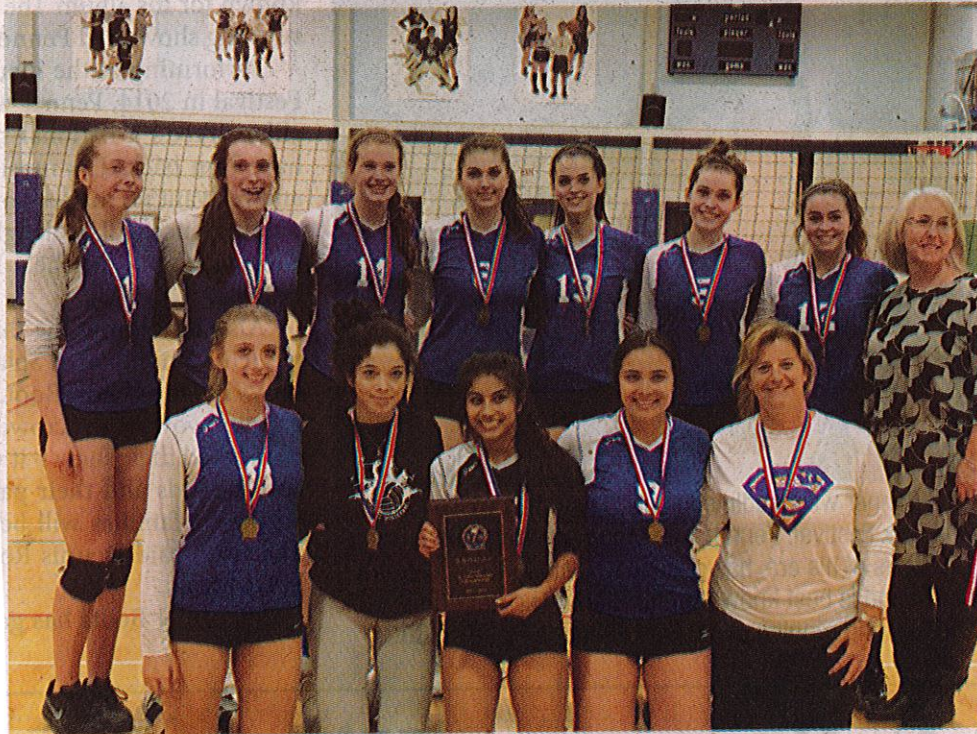

Thanks again to everyone for your support!

Saint's girls volleyball returns to OFSSA

Look who is going to OFSAA again! The St. Anne Saints girls volleyball team won in five sets; winning the first two sets 28-26, 25-22. They lost the next two sets 16-25 and 10-25 and then won the 5th set 15-8. Consistent serving, well timed blocks and heavy hitters rallied the Saints to their second SWOSSAA Championship.
