Environment

focus at St. Joseph's

The Environment SHSM program will afford students the opportunity to enter their post-secondary pathways as more purposeful, "eco-conscious" and environmentally active citizens, promoting sustainable practices, while being mindful and respectful of our Indigenous heritage.

Explore exciting environmental initiatives

Including but not limited to:

- Modern ways to improve air, water and land
- Resource and environmental protection
- Sustaining ecosystems and waste management

When can I start my SHSM?

The SHSM is open to all students. Entry should occur prior to a student's grade 11 year, with special emphasis on scheduling a two credit co-operative placement in the non profit sector.
