

RE: Facility Partnership Opportunities

In compliance with the Ministry of Education's Community Planning and Partnerships Guidelines, the Windsor-Essex Catholic District School Board (WECDSB) has developed Policy B: 08 Community Planning and Partnerships as well as Administrative Procedure Pr B: 08 Community Planning and Partnerships. As per the procedure, the WECDSB will consider sharing space when building new schools, and when suitable space in existing schools has been identified.

Pr B: 08 Community Planning and Partnership procedure also stipulates that the board should notify partners on an annual basis of potential partnership opportunities when building new schools, undertaking significant renovations, or when unused space has been identified within existing schools.

Potential partnership opportunities in current schools

Currently there are no potential partnership opportunities at any of our existing schools.

Co-build opportunities in new schools

Below is the WECDSB's Capital Project summary for new proposed schools.

- **New Catholic Central Secondary School – Windsor**

Interested agencies are to complete the Application of Interest for Community Facility Partnership, and submit it via email as directed on the application.

Please note: all new partnerships fostered by the Board are to have no additional costs incurred to support facility partnerships. Fees will be charged to partners on a cost-recovery basis to cover operating costs, capital costs, administrative costs and property tax (if applicable), for the space occupied by the partner. These fees may also cover legal expenses deemed necessary. In co-building, facility partners will be required to pay for and finance their share of construction, including a proportional share of joint-use or shared space.

Additional costs to obtain municipal approvals perform renovations to protect student safety, provide appropriate washrooms, and otherwise make the space suitable for use by facility partners will be borne by the partner.

Upcoming Meetings

Meetings regarding partnership opportunities are held annually. Upcoming meeting dates will be posted on this site when they are determined.
