Hello,

This message is to inform you that the location for our school's website has changed. You can now find our website here: <http://www.wecdsb.on.ca/standre>

We would encourage you to bookmark the new location so that you can find the information you need about our school quickly.

We want to assure you that this new site still has all of the features you would normally expect, such as our calendar, our bell times, a staff directory, and important links to other sites like School Cash Online. You can also easily navigate your way to other areas of the Windsor-Essex Catholic District School Board's website from our new page.

Most importantly, this new site is more mobile friendly, and scales down easily to smaller devices like tablets and smartphones.

Please note that this page typically contains more static information that doesn't change that often. Although we may post news updates here sometimes, for more topical, time sensitive information, we will correspond with our school community using phone and email messaging, as well as our social media platforms. To be certain that you don't miss any important information, you may want to check with the school office to make sure that your contact information is up to date, and arrange to follow our school via social media.

In conclusion, please know that we are committed to making sure that our staff, students, and their families are well informed. We're looking forward to welcoming everyone back on September 7!

Sincerely,

Laura Guglietta
Principal
