OUTSTANDING BUSINESS

- Pasta lunch was a success! 213 lunches were ordered which made \$514.00 in profit. It was suggested to have teachers remind students about the upcoming lunches as there are no paper order forms going home. Reminders are sent out through the school's social media.
- An idea brought forward as to having a Capri Family Night where families, on a certain date, order dinner from Capri. When you order and mention the school name, a percentage of that order would be given to the school. Amy will bring the idea to Leo at Capri.
- Recess equipment was purchased, but it was difficult finding items. \$324.00 was spent. Will purchase more in the spring.
- Chicken finger lunch purchases closed on Dec. 1st.
